

Chambers USA:

Clients Highlight Ungaretti & Harris’ “Focused Approach” and “Impeccable Knowledge”

After conducting thousands of interviews with clients, attorneys and third-party experts, the highly regarded legal directory *Chambers USA* has recognized Ungaretti & Harris for having one of Illinois’ top-rated Healthcare practices.

About Ungaretti & Harris’ Healthcare practice, *Chambers* says:

The team represents a wide range of healthcare entities and counts hospitals, surgery centers, federally qualified health centers, skilled nursing facilities, home health agencies and clinical laboratories among its clients. Peers recognize the group’s particular skills in acting on behalf of hospitals. The firm is also a significant name in healthcare financing.

Managing Partner and Chair of the Healthcare and Public Finance Groups **Thomas Fahey** is a “*highly astute practitioner*” who adopts a “*knowledgeable and focused approach*” to his work. “*He understands business considerations, and knows what healthcare providers are looking for.*” Sources draw particular attention to Fahey’s expertise in tax-exempt finance. Interviewees regard Partner **Lynn Gordon** as a promising healthcare practitioner: “*She has impeccable knowledge and is able to answer a multitude of questions and advise me in light of the needs of my business,*” explained one client.

We are honored by our clients’ esteem and proud to be recognized in *Chambers*. For more information about Ungaretti & Harris’ **Healthcare Department**, go to www.uhlaw.com or call **Tom Fahey** at 312.977.4376.
